**Half Day Clinics
only
\$150.00 per person
for the entire session**

3 to 4 person minimum

Gary coaches full time, both individual and group lessons and will teach any level of ability, from beginner to expert. Sessions will be half day clinics with three to four people. One on one instruction is also available. Gary is located in Wilmington, DE and instruction is available at many clubs in Delaware, Maryland, New Jersey, New York and Eastern Pennsylvania. In addition, Gary is available to travel to your club anywhere in the US. Loaner guns are available and Gary can perform gunfitting if required.

All methods of shooting are taught, although Gary feels that the pull-away method should be used the majority of the time for most consistent performance. Gary will teach you the situations where other methods, such as sustained lead are applicable. Trap, Wobble Trap and Skeet instruction are offered as well as Sporting Clays and 5 Stand.
